Kathy Edwards was very special dancer. She was born with Cerebral Palsy but she never let that hold her back. She never saw herself as being different. Kathy held two college degrees and competed in ballroom dancing for years. She won over 200 awards during this time including Top Solo in the country, Top overall Solo at the Ohio Star Ball twice and the Golden Slipper Award from Goldie Golden. Her favorite type of solo was Theatre Arts. You will not be missed because you are always with us.

This is a Theatre Arts event.
The routine must have a minimum of two (2) lifts or drops to qualify.
A special trophy will be presented for this event during the evening session.
